

# Applying For Recommended Opportunities

(FOR GRADUATING HIGH SCHOOL SENIORS ONLY)

Based on your answers to certain questions or boxes checked on your application, you may qualify for additional criteria-specific awards, called Partner Scholarships.

If you are eligible to apply for these awards, our online application system will automatically qualify you. You will simply need to complete an additional questionnaire or essay to apply. These questionnaires/essays are due by the application deadline.

Follow steps 1-3 to apply for additional awards:

1. You must submit and complete PART 1 and PART 2 of your scholarship application before you can apply for any Recommended Opportunities—that means all required questions have been answered and your school reference & counselor verification is marked “Submitted” (see “*Checking the Status of Reference Requests*” tutorial)

When your application is finished and ready to submit, click “Finish and Continue”

I understand that it is my sole responsibility to access this site after my high school awards ceremony to check the status of my application and to promptly provide any additional information required by Scholarships, Inc. I understand that my failure to do so on a timely basis may result in Scholarships, Inc. terminating my eligibility to receive an award. - Answer 1 time.
